Education

The University of Texas at El Paso (UTEP) **Expected Graduation:** Spring 2029
B.S. in Aerospace and Aeronautical Engineering **Overall GPA:** 4.0
Honors: UTEP Scholar, Honors Progam

Engineering Experience

UTEP Rocket Team IREC 2026 El Paso, TX
Propulsion Sub-team Jan 2026 – Present

- Contributed to the propulsion architecture that achieved **2nd Place in the 30k COTS Category at the 2026 Intercollegiate Rocket Engineering Competition (IREC)**.
- Prepared, assembled, and integrated a Level 3 solid rocket motor (**Cesaroni O52800X-PS**) into the flight vehicle under rigorous safety standards and standard operating procedures (SOPs).

UTEP Rocket Team El Paso, TX
Propulsion Sub-team Jan 2026 – Present

- Design and model critical propulsion hardware, including the propeller tank and fluid system components, using **CAD software**.
- Collaborate with the propulsion sub-team to integrate fluid system designs into the overall rocket assembly for upcoming launches.

UTEP Rocket Team FEA/CFD El Paso, TX
Propulsion Sub-team Jan 2026 – Present

- Spearheaded **research-focused FEA and CFD simulations** for conceptual **liquid propulsion** architectures, modeling thermal dissipation, fluid flow behaviors, and structural margins under extreme operational pressures.
- Utilized simulation data to iterate **CAD models for injector geometries and propellant plumbing**, establishing baseline performance parameters for future team research and development.

Leadership Engagement

Society of Hispanic Professional Engineers & Mexican American Engineers and Scientists (SHPE / MAES) El Paso, TX
SHPE/MAES Committee Jan 2025 – Present

- Active member of the SHPE/MAES membership committee, to **develop resources and initiatives that support the educational success of engineering students**.
- Organized and staffed campus tabling drives, **advising over 500 engineering students** on academic initiatives, scholarship applications, and technical growth resources.
- Collaborated with the committee to plan and **deliver educational support workshops, driving member engagement and peer development** across the UTEP College of Engineering.

Community Service Kelly Center Food Pantry El Paso, TX

- Assisted in local hunger-relief operations during extracurricular hours, Jan 2025 – Present
  organizing and distributing essential food and grocery packages to support low-income families across the El Paso community.

Skills

- **Engineering Tools:** SolidWorks, Fusion 360, AutoCAD
- **Programming:** Microsoft Office Suite (Word, Excel, PowerPoint), Google Workspace (Docs, Sheets, Slides), Python (learning)
- **Other:** English (Native Fluency), Spanish (Native Fluency), French (Basic), Japanese (Basic)
- **Certifications/Recognitions:** Cambridge B1 Certification
